Re: Application of Chem-Nuclear Systems, LLC, a Subsidiary of EnergySolutions Company  
for Adjustment in the Levels of Allowable Costs and for Identification of Allowable  
Costs  
**Docket No. 2014-13-A**

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") does not intend to file direct testimony in the above referenced case. ORS and the Applicant are currently engaged in settlement discussion and the parties hope to reach an Agreement to be filed with the Commission on or before April 23, 2015. ORS intends to have Daniel Sullivan available at the hearing in this case on April 30, 2015, to answer any questions from the Commission regarding ORS's Examination Report in this matter filed with the Commission on March 11, 2015.

Please let me know if you have any questions.

Sincerely,

Jeffrey M. Nelson
